## **APPEALS**

Your results letter confirms the decision of the Examining Board. If you wish to appeal the decision of the Examining Board you will need to log into your Student Record at <https://www.sims.cf.ac.uk> and click on 'Submit/Manage appeal' within the My Academic Appeals box. You have 28 days to appeal a decision of the Examining Board, for further information search for academic appeals on the intranet.

**Please note that you are only permitted to submit an appeal on the following grounds:**

- i. an arithmetical or other error of fact in the results published following the decision of the Examining Board;
- ii. a defect or irregularity in the conduct, the written instructions or written advice relating to an Assessment either: unknown to the Examining Board which can be shown to have had an adverse effect on the student's performance; or known to the Examining Board and where the Board has acted unreasonably;
- iii. Extenuating Circumstances either unknown to the Examining Board where the student can show good reason why they could not have been made known to the Examining Board when the student's results were being considered; or known to the Examining Board and where the Board has acted unreasonably.
